"Founders Pledge is a revolutionary approach to early stage philanthropy that allows founders of tech companies to "give back" at a point where they may be worth a lot on paper but very little (if anything!) in cash. Hopefully, the pledge will send a message to the global tech community that tech businesses may not be the biggest contributors to not-for-profit organisations and NGOs today ...

"Founders Factory has the unique ability to find exactly the right startup for the right partner, and our case was no exception. They matched L'Oreal's needs with us perfectly, and in the process, helped us accelerate our product-market fit overall. Every partner they've continued to match us with since has opened our eyes to the new and ever-growing list of possibilities for scale."
