*Step 1 Cut out the pattern for the skirt body. You will need two pieces - a front and back piece. Decide on the flare you want and the length you want. Cut out two fabric pieces a little bigger than this dimension and then mark the pattern on them. Fold your fabric pieces for the skirt- front and back by the middle for marking the pattern.*

*I know drafting the basic pattern blocks can be difficult and the bodice with darts isn't the easiest among them. But once you have your very own made-to-measure basic bodice pattern, the reward is that you can turn it into a variety of different tops, shirts and dresses! And that is the fun part. If you feel like you're not ready for the bodice yet, why not start with the basic skirt ...*

*The pattern looks like it has princess seams, but when I lay the pieces beside each other, it became clear that the seam lines were for colour blocking, rather than to add shaping. My usual alterations are square shoulder, narrow chest, broad back and small bust. I decided as I was doing these alterations that I would add a small bust dart into the front panel, similar to a Kathmandu fleece ...*
